

For all you Punks out there!

We have now created this vegan and vegetarian friendly menu, this is the first time we've tried, so please bear with us. All dishes are vegetarian friendly, all dishes with **V** are vegan friendly. Please note, we will not be able to avoid cross contamination, all meat free products are Peta approved. Quorn vegan pieces do come at a premium, which I'm sure you already know, so it is reflected in the price. Cheers, Pauline
